ABOUT Me:

Welcome to 2nd grade, I am Ms. Reynolds and I am so excited to be your child's teacher this year! I graduated from East Carolina University with a Bachelor's Degree in Elementary Education. This is my 4th year teaching. I have lived in New Bern for 21 years and grew up in the Craven County Schools district. I enjoy spending time with my fiancé, Hunter and step-son, Greyson. We have one dog, Max that we enjoy playing and snuggling with. As a family, we enjoy going out on the boat and just being together! I enjoy spending my free time reading and completing D.I.Y. projects. I look forward to meeting you and to having an amazing year!
